

or the acquisition, development or rehabilitation of other properties to operate as low-income housing.

(c) In the case of scattered-site housing of a public housing agency, the net proceeds of a disposition shall be used for the retirement of outstanding obligations issued to finance original development or modernization of the project, in an amount that bears the same ratio to the total of such costs and obligations as the number of units disposed of bears to the total number of units of the project at the time of disposition. For example, in cases where debt has not been forgiven, if a development project of ten units that cost \$100,000 has one unit disposed of for \$10,000, then there would be no net proceeds after paying off the proportional cost (\$100,000 divided by 10=\$10,000/unit) of the project. If, however, the unit was disposed of and net proceeds were \$12,000, there would be \$2,000 available that the PHA would use for the provision of housing assistance for lower income families. Where debt has been forgiven, all the net proceeds may be used by the PHA for the provision of low income housing assistance.

§ 970.10 Costs of demolition and relocation of displaced tenants.

Where HUD has approved demolition of a project, or a portion of a project, and the proposed action is part of a modernization program under the Comprehensive Improvement Assistance Program (24 CFR part 968), the costs of demolition and of relocation of displaced tenants may be included in the modernization budget.

§ 970.11 Replacement housing plan.

(a) *One-for-one replacement.* HUD may not approve an application or furnish assistance under this part unless the PHA submitting the application for demolition or disposition also submits a plan for the provision of an additional decent, safe, sanitary, and affordable rental dwelling unit (at rents no higher than permitted under the Act) for each public housing dwelling unit to be demolished or disposed of under the application, except as pro-

vided in paragraph (j) of this section. A replacement housing plan may provide for the location of the replacement housing outside the political boundaries of the locality of the PHA, provided all relevant program requirements are satisfied including the approval of the replacement housing plan by the unit of general local government in which the project being demolished or disposed is located. In order to assure that all program requirements are satisfied, the PHA must enter into any necessary agreements, including where applicable, the execution of a Cooperation Agreement between the PHA and the locality in which the replacement housing will be located, prior to submission of the replacement housing plan to HUD for approval. In addition, the PHA must ensure that such agreements provide that the families selected for occupancy in the replacement housing will be families who would have been eligible for occupancy in the replacement housing if it had been replaced in the same locality as the project being demolished or disposed. The plan must include any one or combination of the following:

(1) The acquisition or development of additional public housing dwelling units;

(2) The use of 15-year project-based assistance under section 8, to the extent available, or if such assistance is not available, in the case of an application proposing demolition or disposition of 200 or more dwelling units in a development, the use of available project-based assistance under section 8 having a term of not less than 5 years;

(3) The use of not less than 15-year project-based assistance under other Federal programs, to the extent available, or if such assistance is not available, in the case of an application proposing the demolition or disposition of 200 or more dwelling units in a development, the use of available project-based assistance under other Federal programs having a term of not less than 5 years. (NOTE: In the case of 15-year project based assistance under other Federal programs, the Department has determined that low-income housing credits under Section 42 of the Internal Revenue Service Code is a
